Opportunity cards are issued initially as job search opportunity cards for a maximum of one year. The card allows you to look for gainful employment in Germany, i.e. you can seek employment or become self-employed. While you are looking for gainful employment, you are allowed to have one or more part-time jobs (secondary employment) totaling 20 hours a week. You can also do job trials for a maximum of two weeks per employer as part of your job search. The aim of the job trial must be either to obtain qualified employment, an apprenticeship or a qualification program.
